

Directions to Lee S. McDonald Inc.

From Storrow Drive Eastbound

Take Storrow drive to rotary at end. Be in the left lane. Go around rotary 270° onto Monsignor O'Brien Highway. Pass Science Museum on left. Take right on to Austin Street (extension of Memorial Drive, First 4-way light). Go to 2nd light, take left on Main Street. Follow Main Street to stop sign. Go straight through intersection. You are now on Medford Street. 523 Medford Street is the 2nd brick building on left. Enter double brown doors, stairs are on the right. We are on the 2nd floor on the left through the fire door. Park on street or sometimes spots are available in parking lot beyond building.

From Memorial Drive Cambridge.

Follow Memorial drive to end. Go straight through light. You are now on Austin Street. Follow instructions from Storrow Drive from this point on.

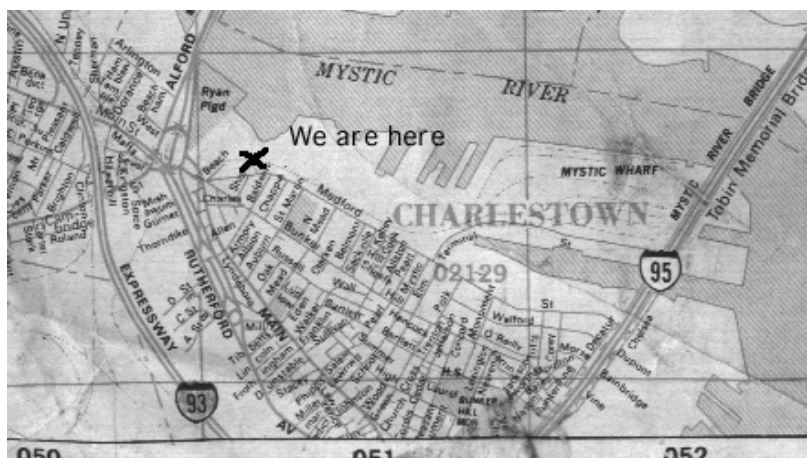

From 93 Northbound.

Go through downtown Boston and cross over the Charles River. There is a new exit off 93 which says something like "Sullivan square, Somerville, Charlestown, Washington St". It is the first exit after you cross the river and after any exits for Rt 1 Tobin Bridge.

At the bottom of the ramp take a right on Washington St. Go One block to rotary at Sullivan Square. Take the 2nd right off the rotary in front of the Shraffts building. (Bunkerhill St not marked) Shraffts building is on left (huge building). Take left at fire station onto Medford Street. 523 Medford Street is the 2nd brick building on left. Enter double brown doors, stairs are on the right. We are on the 2nd floor on the left through the fire door. Park on our side of the street. You can turn around in parking lot just beyond the building.

From 93 Southbound

Take Charlestown exit (first exit before the bridge into downtown Boston). The ramp parallels 93 for about 1/4 mile. As you come off the ramp stay towards the right on ground level and proceed to stop light at Sullivan Square. Enter the rotary at the light and take the 2nd possible right in front of the Shraffts building (no street sign Bunker Hill Ave). Take left at fire station onto Medford Street. 523 Medford Street is the 2nd brick building on left. Enter double brown doors, stairs are on the right. We are on the 2nd floor on the left through the fire door. Park on street or sometimes spots are available in parking lot beyond building.
